Trade Remedy and Investigation Bureau Letter No. [2021]18

Notice on initiation of expiry review of the anti-dumping measures against the Polyamide-6

EU Delegation to China,

The Trade Remedy and Investigation Bureau of the Ministry of Commerce of the People's Republic of China would like to avail itself of the opportunity to express its highest regards to the EU Delegation to China.

As a response to the application from the polyamide-6 industry of Chinese mainland, in accordance with the *Anti-Dumping Regulation of the People's Republic of China*, on 21 April 2021, the Ministry of Commerce issued the Announcement No. 8, deciding to initiate an expiry review on the anti-dumping measures against the import of polycaprolactam/ polyamide-6 originating from the US, the EU, Russia and Taiwan as of 22 April 2021. Once received this notice, please contact us as soon as possible, so that we can transfer the initiation announcement, application (text for the public) and related documents, and the reference form for registration and participation in the investigation to the Delegation.

The Trade Remedy and Investigation Bureau of the Ministry of Commerce of the People's Republic of China avails itself of this opportunity to renew to the Delegation of the European Union the assurances of its highest consideration.
