

**Notice from the Trade Remedy and Investigation Bureau of the Ministry of Commerce of the People's Republic of China on initiation of expiry review of the countervailing measures against potato starch**

EU Delegation to China,

The Trade Remedy and Investigation Bureau of the Ministry of Commerce of the People's Republic of China would like to avail itself of the opportunity to express its highest regards to the EU Delegation to China.

As a response to the application from China's potato starch industry, in accordance with the *Anti-Dumping Regulation of the People's Republic of China*, on 15 September 2022, the Ministry of Commerce issued the Announcement No. 23, deciding to initiate an expiry review on the countervailing measures against the import of potato starch originating from the EU as of 16 September 2022.

Initiation announcement, the reference form for registration and participation in the investigation, and the application text for the public can be read or downloaded from the website of the Ministry of Commerce.
