

Ministry of Commerce of the People's Republic of China (Department/Bureau) Notice

Trade Remedy Bureau No. [2025] No. 15

Regarding the On-Site Anti-Dumping Investigation of Enterprises

To the EU Delegation in China:

On 19 May, 2024, the Ministry of Commerce of the People's Republic of China issued Announcement No. 18 of 2024, deciding to conduct an anti-dumping investigation on imports of Polyformaldehyde Copolymer originating from the United States, the European Union, Taiwan Region, and Japan. The company under investigation, **Celanese Production Germany GmbH & Co. KG** and its affiliated companies have already submitted their responses within the prescribed time.

According to the "Anti-Dumping Regulations of the People's Republic of China" and the Ministry of Commerce's "Provisional Rules on On-Site Anti-Dumping Investigations," in order to verify the authenticity, accuracy, and completeness of the materials provided in the responses of the above-mentioned companies, and to further understand the information related to this anti-dumping investigation, the investigation agency will send an on-site investigation team to the above-mentioned companies **from the end of February to the end of March 2025** for on-site verification.

If your delegation has any objections to this on-site investigation, please reply to our bureau before 5 February 2025.

Sincerely,

Contact: Sun Jing, Bao Shenghui
